PROFFER ON AWARD OF DAMAGES

On August 20, 2018, Julie Schwindt (“petitioner”) filed a petition for compensation (“Petition”) under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), as amended. The Petition alleged that petitioner suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”) following her receipt of an influenza vaccination on September 27, 2017. Respondent conceded petitioner’s entitlement to compensation in his Rule 4(c) Report filed on August 27, 2019. Based on Respondent’s Rule 4(c) Report the Chief Special Master found petitioner entitled to compensation.

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that petitioner should be awarded \$120,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$1,319.15. Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of **\$121,319.15**, in the form of a check made payable to petitioner.

¹ This lump sum payment represents all elements of compensation to which petitioner would be entitled under **42 U.S.C. § 300aa-15(a)**. Petitioner agrees.

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
